ABOUT US

The Day Care Council of New York is a diverse organization uniting child care and family service providers, consumers, and advocates. Our mission is to support and develop high-quality child and family care services, ensuring excellence in child development, education, and social services.

Our Early Childhood Training Institute offers essential professional development for current and aspiring child care providers. Trainings range from required safety courses like CPR and First Aid to business management courses.

Explore our training opportunities and contact us with any questions. Our experienced specialists are ready to help you choose the right trainings and develop a customized plan for your needs.

CATALOG OVERVIEW

Courses

The Day Care Council of New York offers a robust set of courses designed to provide learning opportunities for early childhood educators and leaders in both home-based and center-based settings.

- **Alignment:** This page includes each of the frameworks to which we align our courses, NYS Office of Children and Family Services Content Areas, NYS Core Body of Knowledge, and the Child Development Associate Competency Standards and Functional Areas, and explains how each course is mapped to each framework.
- **Example Training Package:** Trainings can be used in various combinations to meet OCFS training requirements. This page showcases one example of how our trainings can meet those requirements.
- **Customized Packages:** DCCNY recognizes everyone's training needs are different; check out how we can use existing trainings or create new ones to meet your needs.
- **Course List:** This section provides detailed descriptions, times and dates, costs and alignment to the three frameworks for each course.
- **Trainings by Date:** This lists all of our courses by date and time.

Our team is happy to talk to you about our course offerings and advise on which might be the best for you:

Payment

212-206-7818

registration@dccnyinc.org

To complete your registration for a course, Day Care Council must receive payment via credit card, check or money order.

- **Member Rate:** Day Care Council Members and J.C. Hall Network Providers can participate for a reduced fee, listed as "Member Rate" under each course.
- **Refunds:** No refunds will be provided unless the session is canceled by DCCNY or by the participant at least 24 hours in advance.
- **Confirmation:** An email confirmation will be sent upon receipt and processing of payment.
- **Scholarships:** Most of our training qualifies for DCCNY's Professional Development Grant. Through this grant, providers can obtain up to 15-hours of training. For more information and to apply, contact our provider & training specialists at 212-206-7818.
- **CPR & MAT:** We accept the (EIP) Educational Incentive Program and the MAT grant as payment. Call us for more information.

NEW THIS YEAR

Check out our Customized Course info and ask us about renting our **training space**, featuring a model classroom!

ALIGNMENT

Our trainings are designed to align with three key frameworks to help early childhood professionals meet their regulatory requirements and develop professionally. In the course description section, the color-coded numbers that align to each framework are included to the right of each course.

COLOR KEY

Elements of Each Framework are Color Coded by Content Area

Child Development

Health & Safety

Leadership & Administration

Family Engagement & Mental Health

OCFS

OFFICE OF CHILDREN AND FAMILY SERVICES

Trainings must incorporate these 10 Content Areas to qualify for the 15 & 30 hour training requirements.

1. Principles of Early Childhood Development

2. Nutrition & Health Needs of Children

3. Child Day Care Program Development

4. Safety & Security Procedures

5. Business Record Maintenance & Management

6. Child Abuse & Maltreatment Identification & Prevention

7. Statutes & Regulations Pertaining to Child Abuse & Maltreatment

8. Child Abuse and Maltreatment

9. Shaken Baby Syndrome

10. Adverse Childhood Experiences

CORE

NYS CORE BODY OF KNOWLEDGE

New York State's Core Competencies for Early Childhood Educators written for professionals who work directly with young children.

1. Child Development & Learning

2. Family & Community Engagement

3. Observation & Assessment

4. Learning Environment

5. Curriculum & Teaching

6. Health, Safety & Nutrition

7. Professional Engagement

CDA

CHILD DEVELOPMENT ASSOCIATE

The national standards used to evaluate a caregiver's performance with children and families during the CDA assessment process.

1. To establish and maintain a safe, healthy learning environment

2. To advance physical and intellectual competence

3. To support social and emotional development and to provide positive guidance

4. To establish positive and productive relationships with families

5. To ensure a well-run, purposeful program responsive to participant needs

6. To maintain a commitment to professionalism

EXAMPLE TRAINING PACKAGE

Every two years all providers, assistants and center-based staff are required to complete 30 hours of training that align to OCFS content areas.

Our trainings can meet those requirements in a variety of ways; our team can help advise on how to meet those requirements. Below is one example of how you can meet most of these regulatory requirements.

MEDICATION ADMINISTRATION TRAINING

OCFS: 4, 5, 7
3 HOURS

CUSTOMIZED PACKAGES

The Early Child Care Training Institute is here to meet your needs - whatever they might be! Below are some examples of how we can customize your training experience either by selecting existing courses that meet your needs or by making something new.

New Family Child Care Provider Path

Take the following courses to ensure you are set up for success.

- Becoming a Child Care Provider
- Health & Safety Competencies for Family & Group Family Child Care Providers
- High Quality Learning Environments for Infants, Toddlers & Preschoolers

Director, Owner or Administrator Path

Focus your training on leadership development, business and administrative skills.

- Strengthening Business Practices for Child Care Programs
- Ethics in Early Childhood Business
- Understanding and Managing Stress and Burnout

Design Your Own!

If you have a group of staff in need of training that is beyond what is listed in our catalog, our talented team will happily work with you to design a custom training experience that meets the needs of your group.

Our Space, + Your Training

Day Care Council's brand new training space with capacity for up to 25 participants is available to rent for you to host your own training or bring in an outside facilitator. Contact our team and we will work with you to set up the logistics.

Ways our team can support you:

Professional Development Training Scholarships

We provide training to prospective and currently licensed family or group family child care providers, and we offer scholarships to take up to 15-hours of free training in Health and Safety, Family Child Care Business, Marketing your Business, Infant and Toddler Physical Development, Social Emotional Development, and many more topics.

Business Quality Training Grant

Registered or licensed home-based child care providers interested in strengthening their business practices can benefit from this \$300 grant, which covers the cost of business-related training. This grant will help you gain valuable insights into running a successful child care program from home.

Learning Environment Quality Improvement Grant

If you've participated in our Family Child Care Business Training or Intensive Technical Assistance projects, you may be eligible to receive a grant valued at \$300. Our team will work with you to select appropriate materials that will elevate the quality of your child care setting.

Health Care Quality Improvement Grants

Our Health Care Consultant offers free on-site technical assistance to help you review, complete, or renew your health care plan forms.

Infant & Toddler Technical Assistance and Mental Health Consultation

Our Infant & Toddler specialists provide on-site technical assistance and training to help caregivers in early education settings better support the developmental needs of children and families. Our Mental Health Services Manager can support you in a variety of ways whether you are seeking one-to-one consultation, resources and referrals related to mental health and supporting to social and emotional development of children, or if interested in wellness training.

We look forward to working with you to enhance the quality of care and education you provide!

Additional DCCNY Offerings

In addition, to our Early Childhood Training Institute we offer the following services you may be interested in.
